

# Heritage Brockville

## Brockville's Municipal Heritage Advisory Committee

---

Each year Canadians celebrate their past during Heritage Week, the third week in February. Heritage Brockville acknowledges this week by the use of an awards presentation. The purpose of these awards is to recognize the valuable contribution of property owners in conserving and maintaining this city's built heritage and contributions made towards our local heritage. We would like the public to be a part of this nomination process.

The Heritage Conservation Award and Heritage Merit Award are presented in February of each year to coincide with the celebration of Heritage Week. The awards are presented at the February meeting of Brockville City Council and the recipient receives either a plaque to post on their property and/or a certificate of merit.

There are two categories; one for the restoration or conservation of a building and the second to recognize those individuals and/or organizations that have played a significant role in the promotion or conservation of heritage in the City of Brockville.

### **Heritage Merit Award for Individuals or Groups; Nomination Requirements:**

Nominations for an individual or group with the following attributes will be considered:

- Demonstrate a commitment to heritage preservation;
- Through research or documentation of local history (e.g.: essays, books, walking tours, exhibits, websites), contributed to the promotion and preservation of this city's history;
- Help revitalize the community through building local heritage awareness; and,
- Made a significant contribution to the preservation of one or more local assets;

### **Heritage Conservation Award; Nomination Requirements:**

Nominations should consider the following criteria:

- Evidence of the maintenance of original fabric of the building;
- Appropriateness of work/design in relation to the existing building;
- Sympathetic adaption to contemporary use;
- New building's contribution to the streetscape/historic character of the area;
- Assists in revitalizing the community through heritage conservation;
